

BDO REMIT LOGO USAGE GUIDELINES

The BDO Remit logo is attached in the e-mail. It has been uniquely drawn and letter spaced. It must never be altered under any circumstances

Full color:

Full color reversed:

- Whenever possible, the BDO Remit logo should appear as full color.
- When color printing restrictions occur (ex. due to backgrounds). Use the single color BDO blue or white reversed versions.
- Omit backgrounds that hinder visibility of the logo. See examples that demonstrate correct usage of the BDO Remit logo depending on the backgrounds.

- The BDO Remit logo must always appear with clarity. Selection of the BDO Remit logo version must be based on maximum visibility. The choice of using white or blue logo depends on which color of logo would stand out and look more visible in the artwork.
- The BDO logo should not be boxed nor modified in any way.

No color changes

No proportion changes

No blocks or bounding box

No special effects or outline

No cluttered backgrounds

- The BDO Remit logo must be kept clear of any other elements, and must be provided with a clear space surrounding the logo. Please refer to the measurement.

- To ensure visibility and legibility, please ensure that the BDO Remit logo is no smaller than 10mm in width at the minimum.

- When using the BDO Remit logo along with other agent/partner logos, please ensure that it is shown in equal size or no smaller than the other agent/partner logos.
